And outdoors

1. *That's where "Beef Stroganoff" was born*  
*Right on St. Peter's cleanest river*  
*Pink color doesn't seem so wrong:*  
*The Stroganovs had "party fever".*

2. В честь великой победы над  
Наполеоном  
Карл Росси два здания  
соединил,  
Коней с колесницей наверх поместил,  
В том месте, где Невский граничит с  
Дворцовой

3. К народному фольклору мы обратимся здесь:  
За умным гонится дурак и не догнать его никак.  
Мешает им Исаакий и туалет-дворец.  
Сфотографируй "дурака" у широчайшего моста.

4. A terrible uprising was here on the square  
A monument to Peter stands firm and proud there.

5. You see across the river  
The palace of the guy  
Who fooled all Russia immer (germ.)  
Tricked Peter all the time.
