

GLOBAL SALES AND MARKETING – TRIPLE DEGREE

MASTER'S DEGREE PROGRAMME, FULL-TIME 

Profound Know-how in Global Business Management

The triple degree programme offered by GSM equips students to develop and manage general business, sales and marketing activities for future challenges in international companies. For such managers it is essential to develop entrepreneurial thinking skills and to know how to handle background challenges of a culture. In today's digitalized and globalized markets understanding and making use of technological developments, influencing business processes, but also the ability to combine virtual and physical customer touchpoints is indispensable.

Career Profile

A typical job description would be a management position in a foreign subsidiary of a globally operating company. Possible posts include, for example, product manager, key account manager or marketing or sales manager.

Focus of Studies

Entrepreneurship and Business Models (Mexico): a module dealing with the character of entrepreneurship and on how businesses are organized and operated.
Ethics and Social Responsibility (Mexico): a profound understanding of ethical values and an institution's obligation to act for the benefit of society.

Digitalization and Omni-Channel Commerce Management (Taiwan): a module dealing with the synergetic planning, steering and controlling of the various available sales channels and customer touchpoints (virtual and physical) in order to accompany the customer through the sales process from information search to after sales.

International Sales Management (Austria): a module to learn how to conceptualize, evaluate, push forward and control strategic sales decisions.
International Marketing Management (Austria): a profound understanding of strategic marketing concepts including deep knowledge of cross cultural understanding.
