

# Information on Admission

## MA Mobile Computing (University of applied sciences Upper Austria, FH OÖ) study programme code 0455

### Introduction

According to § 4 para. 4 FHSStG, the educational requirement for admission to a university of applied sciences master degree programme shall be the completion of a subject-relevant university of applied sciences bachelor degree programme or the completion of an equivalent degree programme at a recognised domestic or foreign post-secondary educational institution. In the case that equivalence has basically been established and only certain supplementary qualifications are required for full equivalence, the programme director shall be entitled to tie the determination of equivalence to examinations to be taken during the master degree programme.

### Definition of „relevant“

In any case, the university of applied sciences bachelor degree programme Mobile Computing completed at the university of applied sciences Upper Austria, FH OÖ shall be regarded as a relevant bachelor degree programme. The admission to this master degree programme shall also be made possible following the successful completion of any other relevant bachelor or university of applied sciences bachelor degree programme. Relevant bachelor or university of applied sciences bachelor degree programmes are characterised by a minimum workload of 70 ECTS Credits in the following fields:

Field	ECTS Credits
Informatics, Applied Informatics	60
Telecommunications and communication technology	10

**Common transfers**

Students often transfer to a master degree programme after having completed one of the following bachelor or university of applied sciences bachelor degree programmes:

<b>Bachelor degree programmes/University of applied sciences bachelor degree programmes</b>	<b>Higher education institution</b>	<b>Admission</b>
BA Mobile Computing (all versions of the curriculum)	University of applied sciences Upper Austria	without conditions <sup>1</sup>
BA Software Engineering (all versions of the curriculum)	University of applied sciences Upper Austria	without conditions
BA Media Technology- and Design (all versions of the curriculum)	University of applied sciences Upper Austria	without conditions
BA Information Technology and Systems Management (all versions of the curriculum)	University of applied sciences Salzburg	without conditions
BA Information technologies and telecommunication (all versions of the curriculum)	University of applied sciences FH Campus Wien	without conditions
BA Computer Science	University Politechnica of Bucharest, Rumania	without conditions

However, in case electives in the above-mentioned fields have been successfully completed, admission may also be possible without conditions.

Please bear in mind that the educational requirement for admission can also be fulfilled by other bachelor or university of applied sciences bachelor degree programmes, and that the listed examples are not exhaustive.

Please also refer to the "Permeability-Guide" of all universities and universities of applied sciences in the RRR region of Austria. It illustrates which university master degree programmes requires the completion of which university bachelor degree programme: [Link](#)

Please note that only a limited number of study places is available for the master degree programme. Therefore, the fulfilment of the educational requirement for admission does not constitute a claim to a study place. According to § 11 FHStG, an admission procedure shall be conducted at least in those cases where the number of applicants for a degree programme exceeds the number of available places. The programme director shall be responsible for designing the admission procedure.

Please contact Prof. Dr. Christoph Schaffer (christoph.schaffer@fh-hagenberg.at) for any questions regarding admission.

Please note that this fact sheet will not be legally binding as regards admission.
